ISPE Thailand Student Chapter

ISPE Thailand Affiliate was founded in September 2003 and was recently established as a foundation in July 2017. Now we have 172 members in Thailand. The Affiliate is managed by a voluntary committee composed of people from manufacturing, suppliers, regulators and academics.

Our Mission is to offer best practices in pharmaceutical manufacturing and biotechnology industry through ISPE's branded expertise with deep technical knowledge that is applied in a practical manner. The end result will be the continued improvement and transformation of the industry to better ensure the availability of safe and effective pharmaceutical and biologic medicines and medical delivery devices.

ISPE Student Members' Benefits

As an ISPE Student Member you will receive access to numerous resources that will help you understand and learn more about the industry.

You will have access to:

- ❖ Education and Training
- ❖ Regulatory Information and News
- ❖ Online copy of *Best Practice Guide & Pharmaceutical Engineering* magazine
