

ISPE THAILAND ANNUAL GENERAL MEETING (AGM) 2025

21-23 July 2025

Ambassador Hotel
Bangkok, Thailand

►► DIVERSIFYING IN PHARMACEUTICAL INDUSTRY

To register & more info:
WWW.ISPETH.ORG/AGM2025

On behalf of ISPE Thailand Affiliate, we are pleased to invite you to **ISPE Thailand Annual Meeting 2025** being held on July 21st–23rd, 2025 at the Ambassador Hotel, Bangkok Thailand.

ISPE Thailand Affiliate has been delivered technical and operational solutions to support pharmaceutical industry in the manufacture of quality, safety and efficiency medicines for patients all along. This year ISPE Thailand Annual Meeting focuses on broadening pharmaceutical industry to mitigate risks associated with potential safety of patients, market fluctuation, regulatory changes, supply chain disruption and etc. We, therefore, come up with theme “**Diversifying in Pharmaceutical Industry**” this year.

Diversifying can lead to innovative solutions, ability to adapt to change, new markets, new therapeutic areas or product categories. It also involves an upgrade in skills, knowledge and technology.

As always, we have international subject matter expert speakers, full program of sessions, table top exhibition and special gifts for attendees. For the meeting, speakers and attendees will comprise regulators, pharmaceutical and biopharmaceutical industry, academia and vendors. It is the signature of ISPE, the meeting is not just an opportunity to learn but also to connect.

Join us for a day of insightful learning and networking, exchange insights, and update trends technologies and services.

We look forward to your participation at this special event and hope that this experience will be of benefit to you and your organization.

Message from the President

Mr. Totsapon Santitewagun
ISPE Thailand President

Why you should attend ISPE Thailand AGM 2025

- Share expertise and point out practical issues facing global pharmaceutical & biopharmaceutical manufacturing and how they will influence your operations and shape the future of the industry.
- Update Status & Trend of Pharmaceutical Manufacturing in South East Asia countries.
- Give your support to Thai Students on the ISPE Hackathon Competition 2025, where the winners will join the Hackathon Competition in ISPE Conference at Singapore.
- View Technology and Innovation from over 30 exhibitors.
- Connect with Local and International Pharmaceutical and Biopharmaceutical Professionals.
- Last but not least, explore the opportunities to new markets, new therapeutic areas or product categories to manage potential risks and promote business growth, along with this year theme “**DIVERSIFYING IN PHARMACEUTICAL INDUSTRY**”.

- 11:00 – 12:00 • **Diversified approach to achieve Quality Culture Excellence**
 Guest Speaker by Dr. Hiroshi Yamaguchi, ISPE Asia Pacific Affiliate Council Chair

13:30 – 15:00

TRACK 1 Biotech/ATMP

ATMPs: State of the industry and emerging trends

Speaker:
Dr. Peiqing Zhang,
ISPE Singapore President/Cytiva

Manufacturing Network Management

Speaker:
Mr. Chris Lee,
Head of Singapore, Wuxi Biologics

TRACK 2 OSD

Lean Manufacturing for OSD Production

Speaker:
Mr. Gaston Loo,
Head of Engineering, Esco
Aster/Former Senior Engineering
Manager MSD, Singapore

TRACK 3 Annex 1

- **Annex 1 Implementation and First Inspector Finding**
- **CCS and First Air, and Indirect Product Contact Parts**

Speaker:
Mr. Richard Denk,
Senior Consulting Aseptic Processing
& Containment, SKAN AG

Ms. Tracy Moore,
Former GMP Inspector of the
UK Medicines Regulator – MHRA, UK

Limited to 60 attendees

15:30 – 17:00

Key success from research to commercial of ATMPs

Speaker:
Mr. Tishwant Kanwarjit,
Executive Director, Head of Quality,
Autolus Therapeutics, UK

Continuous Improvement of Manufacturing through Automation

Speaker:
Mr. Gaston Loo,
Head of Engineering, Esco
Aster/Former Senior Engineering
Manager MSD, Singapore

15:30-16:00

Envisioning New Concepts for Pharmaceutical 3D Printing and Solubility Enhancement

Speaker:
Mr. Rimson Muara Jaya,
Merck

16:00-17:00

- **Barrier as RABS – Isolators, Decontamination and Gloves**
- **APS Introduction**

Speaker:
Mr. Richard Denk,
Senior Consulting Aseptic Processing
& Containment, SKAN AG

Ms. Tracy Moore,
Former GMP Inspector of the
UK Medicines Regulator – MHRA, UK
